

NOTICE OF FEE CHANGE FOR PARK FACILITY RENTAL

This new fee structure allows The City of New Baltimore to rent pavilions multiple times per day, whereas the former policy only allowed for one rental per day per structure. This will allow for more people to use the facilities and enjoy the city's parks. The fee structure also covers the cost of having a staff member on call for the duration of the rental. The following fee structure will be effective July 1, 2017 for any rental scheduled after January 1, 2018. Rentals already placed for 2018 will be charged the previously agreed upon rate. The following fees are all at a per hour rate.

	Peak Season	Off Season	Non-Profit (M-TH)	Non-Profit (F-SU)
